

2023 Partners Conference The Graduate, Cincinnati, Ohio October 23-25, 2023

SPONSOR/EXHIBITOR PROSPECTUS

The Association of Ohio Recyclers (AOR), The Ohio Association of Litter Prevention & Recycling Professionals (OALPRP) and the Solid Waste Association of North America Ohio Buckeye Chapter (SWANA-OH) are pleased to announce their partnership for a joint **“2023 Partners Conference”**.

The conference will take place at the Graduate Hotel located in downtown Cincinnati, Ohio. The conference is **Ohio’s premier solid waste management and recycling conference**, offering industry specific technical sessions, dynamic speakers, networking opportunities, and social activities.

The conference will begin on Monday, October 23, 2023 with an evening social. The main conference on Tuesday, October 24, 2023 begins with exhibits and our opening remarks. Then, concurrent technical and educational sessions will be held before and after lunch with an afternoon trip to the Cincinnati Zoo for a Zero Waste/Sustainability presentation. We will close the day with networking activities in downtown Cincinnati. On October 25th additional sessions will be conducted in the morning after which guests are invited to participate in various tours that will be offered. Please note exhibitor set-up will be the evening of October 23rd and open all-day October 24th. To provide maximum exposure to all attendees, the exhibit area will be located around the perimeter of the main conference area. This will help increase foot traffic to exhibitor booths. Display tables will be 6 feet in length and tablecloths/skirts will be provided.
